

Relay team revs up for May event

Williams Insurance staff members are sponsoring a team for the annual Relay for Life event set for May 12-13 at Holly Lake Campsites. The team, insure-a-cure, is hosting numerous fundraisers, including a weekly 50/50 at the office, raffle of Longaberger basket and a Friday overnight stay at Rustic Charm Bed & Breakfast in Georgetown. Tickets are \$10 each or three for \$25. Other fundraising strategies include selling handmade jewelry sales and placing donation jars for insure-a-cure at local businesses and retail shops.

Williams Insurance staff members opted to participate because everyone knows someone who has been touched by cancer. Williams Insurance has four survivors in the office, three of whom were diagnosed within the last five years and one who has been cancer-free for 21 years.

Contributions can be made at www.eastsussexrelay.com under team insure-a-cure, either as a general donation or through a particular team member. For information about the team, call Capt. Rita Litts at 227-2501.
